No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in the Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of the Contract, even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

Acceptance by City for any materials shall not bind the City to accept remaining materials, future shipments or deprive the City of the right to return materials already accepted. Acceptance by City of delinquent or late delivery shall not constitute a waiver of a later claim for damages and/or bind the City for future or subsequent deliveries.
27. **Overcharges by Antitrust Violations:** The City maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the City. Therefore, to the extent permitted by law, the Contractor hereby assigns to the City any and all claims for such overcharges as the goods and/or services used fulfill the Contract.

35. **Rights and Remedies:** No provisions of this Request for Proposal or in the proposal shall be construed, expressly or by implication, as a waiver by the City of any existing or future right and/or remedy available by law in the event of any claim of default or breach of Contract. The failure of the City to insist upon strict performance of any term or condition of the Contract or to exercise or delay the exercise of any right or remedy provided in the Contract, or by law, shall not release the Contractor from any responsibilities or obligations imposed by the Contract or by law, and shall not be deemed a waiver of any right of the City to insist upon the strict performance of the Contract.
